Profile

I'm a Web Developer with experience in Frontend Development, UI/UX Design, and Backend concepts (REST APIs & PostgreSQL). Skilled in building responsive, user-focused applications and optimizing digital experiences.

Education

Bachelor in Information Management, *Tribhuvan University* 02/2021 – 08/2025
Bachelor's in Information Management, combining management principles with IT skills, with expertise in business analysis, data management, and technology-driven decision making. Siddharthanagar, Nepal

Intermediate +2, *Sai Global Academy* 06/2018 – 02/2021
Pursued +2 in Management and Mathematics, developing a solid foundation in business management principles, numerical analysis, and logical problem-solving, preparing for further studies and professional growth. Siddharthanagar, Nepal

Professional Experience

Full-stack Developer, *Ewan Byte* 05/2025 – 08/2025
Full-stack web developer experienced in building responsive and dynamic web applications with integrated frontend and backend functionalities. Skilled in collaborating with teams, performing API and manual testing, and delivering complete, user-friendly web solutions. Knowledgeable in UI/UX design and database management. Bhalwari, Nepal

Trainee Frontend Developer, *Ewan Byte* 02/2025 – 04/2025
Completed a web development traineeship, working on advanced frontend projects including CMS-based platforms, building admin portals and user-facing storefronts, while collaborating closely with backend developers to deliver fully functional and user-friendly web applications. Bhalwari, Nepal

Frontend Developer Intern, *Mebhu Online Store Pvt. Ltd.* 11/2024 – 01/2025
Completed an internship in frontend web development, gaining practical experience in building responsive, user-friendly web applications. Expand skills in designing intuitive interfaces, optimizing functionality, and enhancing user experience. Siddharthanagar, Nepal
